With over 15 years of experience as a Makeup Department Head. I have done many sitcoms, over one hundred commercials and music videos, tons of print work and some features.

My specialty is beauty makeup.

I am currently the Makeup Department head of UPN's number one show "Girlfriends" (season six). I have been the department head for three years now. In print this month I have Kathy Griffin for Glamour Magazine's "Getting Over Myself" August 2005 and Los Angeles magazine's "The Comedy Issue". Last month I have two covers for Kirstie Alley, People Magazine and Good Housekeeping.

Last season I was the Makeup Supervisor for Kirstie Alley's "Fat Actress", Kathy Griffin's new reality show "The D List" and the Makeup Department Head for "Girlfriends" (season five).

I was the personal artist for Brooke Shields for ten years (1990-2000). Being responsible to make her beautiful for all of her personal appearances and print work. I was the department head for her television show all five years.

I was the department head and personal artist for Debra Messing creating her signature makeup look for the first two seasons of "Will & Grace". I was also responsible for her personal appearances and print work.
